Your Plan Premium

If we determine that you owe a late enrollment penalty (or if you currently have a late enrollment penalty), we need to know how you would prefer to pay it. You can pay by mail each month or quarterly. You can also pay your premium by automatic deduction from your Social Security or Railroad Retirement Board (RRB) benefit check each month.

You can pay your monthly plan premium (including any late enrollment penalty you have or may owe) by mail each month or quarterly. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board Check each month.

If you are assessed a Part D-Income Related Monthly Adjustment Amount, you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security benefit check or be billed directly by Medicare or the Railroad Retirement Board. Do NOT pay HealthSun Health Plans the Part D-IRMAA.

People with limited incomes may qualify *Extra Help* to pay for their prescription drug costs. If you qualify, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not have a coverage gap or a late enrollment penalty. Many people qualify for these savings and don't even know it. For more information about this *Extra Help*, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for *Extra Help* online at www.socialsecurity.gov/prescriptionhelp.

If you qualify for *Extra Help* with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium for this benefit. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.

If you don't select a payment option, you will get a bill each month.

Please select a premium payment option:

- Get a bill
 Automatic deduction from your monthly Social Security or RRB benefit check:
I get monthly benefits from: Social Security RRB

(The Social Security deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.)

You can change health plans only at certain times during the year. From October 15 - December 7, you can join, switch or drop a Medicare health or drug plan for the following year. In addition, from January 1 - March 31, anyone enrolled in a Medicare Advantage Plan (except an MSA plan) can switch plans or return to Original Medicare (and join a stand-alone Medicare Prescription Drug Plan). Generally, you can't make changes at other times except in certain situations, such as if you move out of your plan's service area, want to join a plan in your area with a 5-star rating, or qualify for (or lose) Extra Help paying for prescription drug coverage.
