## Section 1 – Introduction

This directory provides a list of HealthSun Health Plans network providers. To get detailed information about your health care coverage, please see your *Evidence of Coverage*.

Members should use this directory when selecting a network provider from whom they want to receive services. Please refer to plan's *Evidence of Coverage (Chapter 3)* for more detailed information on using the plan's coverage and network providers to get your medical care.

### Choosing your Primary Care Physician

You will have to choose one of our network providers listed in this directory to be your Primary Care Physician (PCP). Generally, you must get your health care services from your PCP.

When you become a member of HealthSun Health Plans you must choose a network provider to be your **PCP**. Your PCP is a physician who meets state requirements and is trained to give you basic medical care. Normally, as a HealthSun member you see your PCP for most of your routine health care needs. Your PCP will also help coordinate additional covered medical services you may need from other providers in our network. You may select your PCP at the time of enrollment. This Provider Directory will help you find the PCP of your choice. You should also look on our website [www.HealthSun.com](http://www.HealthSun.com) for the most current provider network. You can also change your PCP for any reason, at any time. To change your PCP, please call our Member Service Department (phone numbers are printed on the back cover of this booklet). The change will take effect on the first day of the month following the receipt of your request. If your PCP leaves HealthSun Health Plans, we will let you know and help you switch to another PCP so that you can continue getting covered services. Please refer to plan's *Evidence of Coverage (Chapter 3, Section 2.1)* for more information on PCP's.

### Referrals

The network providers listed in this directory have agreed to provide you with your health care, vision, and dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral. In most cases, you must see your PCP to get a referral before you see any other health care provider. This may include visits to see a specialist physician (including follow-up care), inpatient admission, and services for x-rays, labs, diagnostic tests, or therapy sessions. Referrals from your PCP are not required for emergency care or urgently needed services. There are also some other services that do not require a referral. Please refer to plan's *Evidence of Coverage (Chapter 3, Section 2.2)* for coverage rules and services that do not require a referral.

### Out-of-network

In case an out-of-network provider submits a bill directly to you, you should not pay the bill but you should submit it to the plan for processing and determination. If you already paid for the services, you should send us your receipt or other documentation of payment. We will review the bill or receipt of payment and decide if we are responsible to pay for the out-of-network services.

You may obtain emergency services from the closest available provider and you may obtain urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable. Please refer to your plan's *Evidence of Coverage (Chapter 3, Section 3)* for more information on getting care when you have a medical emergency.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor HealthSun Health Plans will be responsible for the costs.

## Introduction to the Pharmacy

This booklet provides a list of HealthSun Health Plans' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and HealthSun Health Plans' formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under HealthSun Health Plans only if they are filled at a network pharmacy or through our mail order pharmacy services. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but you can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. **This list is current as of 08/16/2021.** For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with an asterisk (\*) symbol to distinguish them from other pharmacies in our network that offer standard cost-sharing." Note: Preferred cost-sharing may not be offered your Plan. See your Evidence of Coverage, Chapter 5 and 6, or call us to confirm if your plan offers preferred cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section in the pharmacy directory.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of our program that automatically prepares mail order refills, please contact us by calling 1-833-272-9776 (TTY 1-833-203-1735) available 24 hours a day, 7 days a week.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-833-272-9776 (TTY 1-833-203-1735) available 24 hours a day, 7 days a week.

Prescription Drugs for home infusion therapy must be covered under our formulary or approved by HealthSun Health Plans and your prescription must be written by an authorized prescriber. You can find information on our network home infusion pharmacies in this directory.

Residents of a long-term care facility may access their prescription drugs covered under HealthSun Health Plans through the facility's long-term care pharmacy or another network long-term care pharmacy.

If you have questions about any of the above, including instructions on how to submit claims for prescriptions that you had to fill at an out-of-network pharmacy, please see the first and last cover pages of this directory for information on how to contact us.

## Sección 1 – Introducción

Este directorio ofrece una lista de los proveedores de la red de HealthSun Health Plans. Para obtener información detallada sobre su cobertura de atención médica, consulte su *Evidencia de Cobertura*.

Los miembros deben utilizar este directorio al seleccionar un proveedor de la red del que quieren recibir servicios. Consulte la *Evidencia de cobertura del plan (Capítulo 3)* para obtener información más detallada sobre el uso de la cobertura del plan y los proveedores de la red para obtener su atención médica.

### Elección de su médico de atención primaria (PCP)

Usted tendrá que elegir a uno de nuestros proveedores de la red que se enumeran en este directorio para que sea su Médico de Atención Primaria (PCP). Por lo general, usted debe obtener sus servicios de atención primaria de su PCP.

Cuando usted se convierte en un miembro de HealthSun Health Plans debe elegir un proveedor de la red para que sea su médico de atención primaria (**PCP**). Su PCP es un médico que cumple con los requisitos del estado y está capacitado para brindarle atención médica básica. Normalmente, como miembro de HealthSun, consulta a su PCP para la mayoría de sus necesidades de atención médica de rutina. Su PCP también le ayudará a coordinar servicios médicos adicionales que pueda necesitar de otros proveedores de nuestra red. Se le pedirá que seleccione su PCP al momento de la inscripción. Este directorio de proveedores le ayudará a encontrar el PCP de su elección. También debe buscar en nuestro sitio web [www.HealthSun.com](http://www.HealthSun.com) la red de proveedores más actualizada. Usted puede cambiar su PCP por cualquier motivo, en cualquier momento. Para cambiar su PCP, por favor llame a nuestro Departamento de Servicios para los Miembros, los números de teléfono están impresos en la portada y la contraportada. El cambio tendrá efecto el primer día del mes siguiente a la recepción de su solicitud. Si su PCP termina con HealthSun Health Plans, le informaremos y le ayudaremos a cambiarse a otro PCP para que pueda continuar recibiendo los servicios cubiertos. Consulte la *Evidencia de cobertura del plan (Capítulo 3, Sección 2.1)* para obtener más información sobre los PCP.

### Referidos

Los proveedores de la red que figuran en este directorio han acordado brindarle su atención médica, visión y servicios dentales. Puede ir a cualquiera de los proveedores de nuestra red que figuran en este directorio; sin embargo, algunos servicios pueden requerir un referido. En la mayoría de los casos, debe ver a su PCP para obtener un referido antes de ver a cualquier otro proveedor de atención médica. Esto puede incluir visitas para ver a un médico especialista (incluida la atención de seguimiento), admisión hospitalaria y servicios ambulatorios como radiografías, laboratorios, pruebas de diagnóstico o sesiones de terapia. No se requieren referidos de su PCP para atención de emergencia o servicios de urgencia. También hay algunos otros servicios que no requieren referidos. Consulte la *Evidencia de cobertura del plan (Capítulo 3, Sección 2.2)* para conocer las reglas de cobertura y los servicios que no requieren un referido.

### Fuera de la red

En caso de que un proveedor fuera de la red le envíe una factura directamente, no debe pagar la factura, pero debe enviarla al plan para su procesamiento y determinación. Si ya pagó por los servicios, debe enviarnos su recibo u otra documentación de pago. Revisaremos la factura o el recibo de pago y decidiremos si somos responsables de pagar los servicios fuera de la red.

Usted puede obtener servicios de emergencia del proveedor más cercano disponible y puede obtener servicios de urgencia de cualquier proveedor calificado cuando esté fuera del área de servicio del plan o cuando los proveedores de la red no estén disponibles. Consulte la *Evidencia de cobertura de su plan (Capítulo 3, Sección 3)* para obtener más información sobre cómo obtener atención cuando tiene una emergencia médica.

Debe utilizar proveedores de la red, excepto en situaciones de emergencia o atención de urgencia o para diálisis renal u otros servicios fuera del área. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni HealthSun Health Plans serán responsables de los costos.

### **¿Cuál es el área de servicio de HealthSun Health Plans?**

## Introducción a la información sobre Farmacias

Este folleto ofrece una lista de las farmacias de la red de HealthSun Health Plans. Si desea una descripción completa de su cobertura para medicamentos con receta y cómo obtenerlos, consulte la Evidencia de cobertura y el Formulario de HealthSun Health Plans.

Las farmacias que figuran en esta lista son las “farmacias de la red”, ya que hemos acordado con ellas para proporcionar medicamentos recetados a los miembros del plan. En la mayoría de los casos, sus medicamentos con receta están cubiertos por HealthSun Health Plans solo si los obtiene en una farmacia de la red. Una vez que acuda a una farmacia, no es necesario que continúe acudiendo a la misma farmacia para obtener su medicamento con receta, sino que puede cambiar a cualquiera de nuestras farmacias de la red. Puede obtener sus medicamentos con receta en farmacias fuera de la red solo en ciertas circunstancias contempladas en su Evidencia de cobertura.

Es posible que no todas las farmacias de la red se encuentren en este directorio. Tal vez se hayan agregado o eliminado algunas farmacias de la lista después de la impresión de este directorio. Esto quiere decir que es posible que las farmacias enumeradas aquí ya no sean parte de nuestra red, o que puede haber farmacias más nuevas en nuestra red que no figuren en la lista. **Esta lista está vigente a partir del 08/16/2021.** Para obtener la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto aparece en las páginas de la portada y la portada posterior.

Puede ir a todas las farmacias de esta lista, pero sus costos para algunos medicamentos pueden ser menores en las farmacias de esta lista que ofrecen un costo compartido preferido. Estas farmacias están indicadas con un asterisco (\*) para distinguirlas de otras farmacias de nuestra red que ofrecen un costo compartido estándar. Nota: puede ser que su plan no ofrece costo compartido preferido. Refiera a su Evidencia de Cobertura, Capítulo 5 y 6, o llama nuestro plan para confirmar si tu plan ofrece costo compartido preferido.

Puede pedir que le envíen los medicamentos con receta a su hogar a través del programa de entrega de pedido por correo de nuestra red.

Para resurtir sus medicamentos, usted tiene la opción de inscribirse en un programa de resurtido automático. En este programa, comenzaremos a procesar su siguiente resurtido automáticamente cuando nuestros registros muestren que se está por quedar sin el medicamento. La farmacia se comunicará con usted antes del envío de cada resurtido para asegurarse de que necesite más medicamento. Usted puede cancelar los resurtidos si tiene suficiente medicamento o si el medicamento ha cambiado. Si opta por no usar un programa de resurtido automático, comuníquese con su farmacia 14 días antes de que crea que los medicamentos que tiene se acabarán para asegurarse de que su próximo pedido se le envíe a tiempo. Para cancelar la participación en nuestro programa que prepara automáticamente e surtidos de pedidos por correo, comuníquese con nosotros llamando a nuestros servicios de farmacia de pedido por correo al 1-833-272-9776 (TTY 1-833-203-1735) disponible las 24 horas del día, los 7 días de la semana.

Por lo general, el pedido a la farmacia que brinda el servicio de pedido por correo le llegará en 14 días como máximo. Si por alguna razón su receta de pedido por correo se retrasa, llame a nuestros servicios de farmacia de pedido por correo al 1-833-272-9776 (TTY 1-833-203-1735) disponible las 24 horas del día, los 7 días de la semana. También puede comunicarse con Servicios para los miembros de HealthSun (los números de teléfono están impresos en la contraportada de este folleto).

Los medicamentos recetados para terapia de infusión en el hogar deben estar cubiertos bajo nuestro formulario o aprobados por HealthSun Health Plans y su receta debe ser escrita por un prescriptor autorizado. Puede encontrar información sobre nuestras farmacias de infusión en la red en este directorio.

Los residentes de un centro de atención a largo plazo pueden obtener sus medicamentos con receta cubiertos por HealthSun Health Plans a través de la farmacia de atención a largo plazo del centro u otra farmacia de la red para atención a largo plazo.

Si tiene alguna pregunta sobre lo anterior, consulte la primera y última página de portada de este Directorio para obtener información sobre cómo comunicarse con HealthSun Health Plans.
