B. Background Information about HealthSun (D-SNP) Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers -** professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, behavioral health, supplies, drugs, equipment, and other services.
  - The term **providers** includes facilities such as hospitals, clinics, skilled nursing facilities, and other places that provide medical services and medical equipment.
  - **Providers** that are a part of our plan's network are called **network providers**.
- **Network providers** - contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- **Primary Care Physician** (PCP) - a doctor (General Practitioner, Family Practitioner, Internal Medicine) who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a referral if you need a specialist or other provider.
- **Specialists** - doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - Oncologists care for patients with cancer.
  - Cardiologists care for patients with heart conditions.
  - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- **Referral** - you may need a referral for a specialist or someone that isn't your PCP. A referral means that your network PCP must give you approval before you can use the other provider.

This section is continued on the next page.

- **Prior authorization** - HealthSun (D-SNP) (not your network PCP) must give you approval **before** we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, HealthSun (D-SNP) may not cover the service, item, or drug.
    - Referrals or prior authorization **aren't** needed for:
        - emergency care;
        - urgently needed care;
        - kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area; or
        - services from a women's health specialist.
    - Additionally, if you're eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they're out of our plan's network.
    - More information on referrals and prior authorization is available in **Chapter 3** of the *Evidence of Coverage.*
- **Care Team** - includes you, your doctors, your Care Coordinator, and anyone else who plays an important role in your care. Everyone on the care team works together to make sure your care is coordinated. This means they make sure you get all the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines that you take so that they can reduce any negative side effects. Your PCP will always get permission before sharing your medical information with other providers. Members of your care team may include:
    - **Care Coordinator** - helps you manage your medical providers and services. Your care coordinator will contact you to create a specific plan of care based on your preferences and needs. This is called the individualized care plan (ICP). Your ICP will include specific objectives, goals, and action steps to meet your identified needs. Your care coordinator will check in on you either monthly or quarterly, or more often depending on your needs. They can also help answer questions about your healthcare and help you with your providers. Your care coordinator is your primary contact person for your HealthSun (D-SNP) plan.
    - Your **Primary Care** Physician.

This section is continued on the next page.

B3. How to choose a Primary Care Physician (PCP)

First, you will need to choose a Primary Care Physician (PCP). You may be able to have a specialist act as your PCP if that doctor is listed as a PCP in this Directory. If you need assistance with selecting a specialist as your PCP, call Member Services at 1-877-336-2069 or, for TTY/TDD users 711. Our hours of operation are: From October 1 to March 31, we are open 7 days a week from 8 a.m. to 8 p.m. EST. From April 1 to September 30, we are open Monday through Friday, 8 a.m. to 8 p.m. EST. You can choose any PCP in our network who is accepting new members.

- To choose a PCP, refer to the list of providers in **Section C1** and choose a physician:
  - that you use now, **or**
  - who has been recommended by someone you trust, **or**
  - whose offices are easy for you to get to.
- If you don't choose a PCP in our network, HealthSun (D-SNP) will choose one for you.
- If you want help in choosing a PCP, please call Member Services at 1-877-336-2069 or, for TTY/TDD users 711. Our hours of operation are: From October 1 to March 31, we are open 7 days a week from 8 a.m. to 8 p.m. EST. From April 1 to September 30, we are open Monday through Friday, 8 a.m. to 8 p.m. EST. The call is free. Or visit www.healthsun.com
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at the numbers listed at the bottom of this page and ask **before** you get the service or care.

If you have questions, please call HealthSun (D-SNP) at 1-877-336-2069 or, for TTY/TDD users 711. Our hours of operation are: From October 1 to March 31, we are open 7 days a week from 8 a.m. to 8 p.m. EST. From April 1 to September 30, we are open Monday through Friday, 8 a.m. to 8 p.m. EST. The call is free. For more information, visit www.healthsun.com.

B4. How to access HealthSun (D-SNP)'s network providers

You may need a referral for someone who isn't a PCP. There's more information about referrals in **Section B1**.

You must get all of your covered services from providers within our network. If you use providers who aren't in HealthSun (D-SNP)'s network **(without prior authorization), you may have to pay the bill.**

> A **prior authorization** is an approval from ***HealthSun (D-SNP)*** to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. You can also go outside the plan other non-emergency services if HealthSun (D-SNP) gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider. For some providers, you may need a referral from your PCP.
- HealthSun (D-SNP) works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, HealthSun (D-SNP) can help you. Talk to your care coordinator for assistance.

If you have questions, please call HealthSun (D-SNP) at 1-877-336-2069 or, for TTY/TDD users 711. Our hours of operation are: From October 1 to March 31, we are open 7 days a week from 8 a.m. to 8 p.m. EST. From April 1 to September 30, we are open Monday through Friday, 8 a.m. to 8 p.m. EST. The call is free. For more information, visit www.healthsun.com.

D. Background Information about HealthSun (D-SNP)'s Network Pharmacies

This Directory lists the pharmacies that you may use to get your drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** HEALTHSUN (D-SNP) and have agreed to provide drugs to you as a member of the plan.

Please contact HEALTHSUN (D-SNP) Member Services at the numbers listed at the bottom of this page or your Care Coordinator/Case Manager for assistance.

HEALTHSUN (D-SNP) members must use network pharmacies to get drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the HEALTHSUN (D-SNP) *Evidence of Coverage* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about HEALTHSUN (D-SNP) network pharmacies in your area, please visit our website at www.healthsun.com or call Member Services at 1-877-336-2069 or, for TTY/TDD users 711. Our hours of operation are: From October 1 to March 31, we are open 7 days a week from 8 a.m. to 8 p.m. EST. From April 1 to September 30, we are open Monday through Friday, 8 a.m. to 8 p.m. EST. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the Evidence of Coverage and HEALTHSUN (D-SNP)'s *List of Covered Drugs*. Please visit our website at www.healthsun.com

D1. Types of pharmacies in HEALTHSUN (D-SNP)'s network

Along with retail pharmacies, our plan's network of pharmacies includes:

- Mail-order pharmacies send covered drugs to members through the mail or shipping companies.
- Home infusion pharmacies are also called specialized pharmacies. To get more information on home infusion pharmacy services, you can contact the home infusion pharmacy listed in this directory, or Member Services at 1-877-336-2069 or, for TTY/TDD users 711. Our hours of operation are: From October 1 to March 31, we are open 7 days a week from 8 a.m. to 8 p.m. EST. From April 1 to September 30, we are open Monday through Friday, 8 a.m. to 8 p.m. EST.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes. Residents of a long-term care facility, such as a nursing home, may access their drugs covered under HEALTHSUN (D-SNP) through the facility's pharmacy or another network pharmacy. To learn more about drug coverage in special cases, refer to Chapter 5 of the Evidence of Coverage.
- Specialty pharmacies dispense and manage medications for serious or rare conditions, such as cancer and arthritis.
- Clinical pharmacies provide direct patient care.

You aren't required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- Mail-Order Programs. We offer a mail-order program that allows you to get up to a 90-day supply of your drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.
- 90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 90-day supply of covered drugs.

E. HealthSun (D-SNP)’s List of Network Pharmacies

This part of the Directory includes a list of HEALTHSUN (D-SNP)’s network pharmacies that **participate in and accept** HEALTHSUN (D-SNP)

This Directory is organized by the types of pharmacies and where they’re located. To find network pharmacies close to your home:

- Find the type of pharmacy you need.
- Then, find the city for the pharmacies that serve that community.

If you have questions, please call HealthSun (D-SNP) at 1-877-336-2069 or, for TTY/TDD users 711. Our hours of operation are: From October 1 to March 31, we are open 7 days a week from 8 a.m. to 8 p.m. EST. From April 1 to September 30, we are open Monday through Friday, 8 a.m. to 8 p.m. EST. The call is free. For more information, visit www.healthsun.com.
